

AARV Spotlight Practice Questionnaire

The AARV is excited to feature your practice on our "Spotlight Practice" page. Please provide us with information about your practice using the questions below as a guide. Please try to limit your blurb to around 500 words and be aware that we may edit what you write to meet this limit if necessary. Please provide us with 10 photos (include pictures of the facility, staff and rehabilitative therapies) and provide captions for the photos.

1. Tell us about your practice (can include history, when rehabilitation was started, specific focus of your practice). Please provide a practice logo.
2. Describe your rehab team. Please provide us with a list of the AARV members at the practice.
3. How does your practice reflect the AARV model standards for veterinary rehabilitation practices?
4. What are you most proud of about your practice?
5. What are your practice's plans for the future?
6. Do you work closely with any non-profit organizations that you would like to highlight?
7. Who is the preferred contact for your practice? Please provide their info.

All information and photos can be sent to AARV at info@rehabvets.org.
